Howl-o-ween Puns

Toad-ly Eerie-sistible

No bones about it. Puns are fun! Take bland, everyday words or phrases, intentionally twist them around into ridiculously warped new meanings or sounds, and you have created a pun. Some of them are just riddled with humor. Like these, for instance:

Q: What kind of monster is safe to put in the washing machine?

A: *a wash and wear wolf*

Q: What kind of shoes do baby ghosts wear?

A: *booties*

Want to check out the condition of your punnybone? Fa-boo-lous! Read each spirited riddle below, and then see if you can spot the perfect pun in the collection of possible answers. Some you can nail down right off the bat. Others will be more difficult to sink your teeth into.
